

Dixon Middle School 2022-2023 Fee Summary

Utah Code 53G-7-5 and Utah State Board of Education Rule 277-407 requires school districts to change the process of setting school fees. This summary is meant to provide an overview of the maximum fees allowed in each school. The total required participation fee includes costs charged at time of registration. The total maximum school activity fee is the maximum a school can charge for a specific activity. These charges may include field trips and other items that will be collected when appropriate, (i.e. when a field trip is planned). Please visit www.provo.edu/school-fees for a detailed description of each fee, along with a spend plan for each activity at each school. All fees, except those explicitly stated, are eligible for fee waiver. Please visit www.provo.edu/school-fees for additional information regarding fee waiver applications and eligibility.
