

Timpview High School 2023-2024 Fee Summary

Utah Code 53G-7-5 and Utah State Board of Education Rule 277-407 requires school districts to change the process of setting school fees. This summary is meant to provide an overview of the maximum fees allowed in each school. The total required participation fee includes costs charged at time of class registration. Schools are required to provide a maximum cost for each activity, including all costs for athletic participation, travel, activity-specific apparel, field trips, etc. This amount is reflective in the Maximum School Activity Fee and includes everything that could be charged in connection to a specific activity and is assessed when needed. Please visit www.provo.edu/school-fees for a detailed description of each fee, along with a spend plan for each activity at each school. All fees, except those explicitly stated, are eligible for fee waiver. Please visit www.provo.edu/school-fees for additional information regarding fee waiver applications and eligibility.
